

Greater Cleveland Council of Teachers of Mathematics TEAM Membership Form

The GCCTM has created a new TEAM membership! Team memberships last for one year. A team is composed of a "Team Leader" and up to four "Associate" team members. The team membership fee = \$15 for the Team Leader + \$10 for each "Associate" team member. Example teams: teachers/professors from the same school/university; administrators, teachers, intervention specialists, etc. from the same district.

Rules for TEAM membership—

1. All members of the team must be from the same district, school, or university.
2. The entire team must be composed of non-members, "current members" with membership dates that have technically expired, and current members with membership expiration dates in the month that the team membership goes into effect.
3. The form for team memberships must be completed and payment received at least 10 days prior to any GCCTM event for the team members to be eligible for member prices at that event.
4. Only the designated "team leader" will receive the paper newsletter and any other mailings.
5. Associate members will receive all other member benefits including E-mailed versions of the newsletter.
