

GCCTM Fall Mini-conference

Making Connections in the Math Classroom and Beyond!!!

Garrett Morgan High School

Saturday, November 11th

8:15 am — 1:00 pm

This year's fall conference will focus on making connections with not only STEM, but with other courses such as Art, Music, and English/Language Arts both inside and outside of the math classroom. We will have sessions planned for K-12 and break-out sessions for the K-5, 6-8, 9-12 grade bands. Bring a friend to learn how to make the math connections!! Garrett Morgan is located at 4016 Woodbine Ave., Cleveland, OH 44113. Registration and a light breakfast begins at 8:15.
