

# The 2018 GCCTM Annual Outstanding Educator Awards Banquet

May 10th, 2018 from 4:30-8:00

Woodside Event Center At St. Michael's  
5025 East Mill Road Broadview Heights, OH 44147

*Please come hear our great keynote speaker and celebrate the accomplishments of our 2018 GCCTM Outstanding Mathematics Educators in Northeastern Ohio.*

## **Keynote Address: Catalyzing Change in High School Mathematics - NCTM Past President, Matt Larson, Ph.D**

At this year's Annual Meeting, NCTM released *Catalyzing Change in High School Mathematics: Initiating Critical Conversations*. *Catalyzing Change* recognizes that while school mathematics works for some students, it clearly is not working for all students. *Catalyzing Change* identifies current challenges and makes recommendations to improve the mathematical experience and outcomes of students. Matt Larson, NCTM past president and contributing writer to *Catalyzing Change*, will provide a brief overview of the publication and make connections across grades K-12.
