--	---

**Featuring:  
Dr. Kelly Bullock Daugherty**

**Who will speak on:  
“Defining Your Greatness:  
Great Teachers  
Build Great Learners”**

**At this meeting you will...**

- Enjoy a “light dinner” while networking and perusing **sample** NCTM Publications. **All** those attending the meeting will be given a special code to order any NCTM Publication at a 20% discount and free shipping.
- Learn about GCCTM’s Theme for the year: “20/20 Vision: *Focusing on the Future by Reflecting on the Past.*”
- Learn more about GCCTM, the Crooked River Math Teachers’ Circle, OCTM, and other local mathematics organizations.
- Learn how to earn Graduate Credit for attending GCCTM and Crooked River events.
- Engage in fun math activities that you can bring back to your own classroom.
- Be inspired by Dr. Daugherty’s talk and find your own personal “GREATNESS.”

**Earn a certificate of participation for 2.25 PDUs/contact hours.**

**Note: These hours may need to be pre-approved by your LPDC or HR Department.**

**Costs for Registration**
